

Fruit and Asparagus Availability List Trade Only

May-19

How to make the most of this availability sheet:

Click any where on the page to view navigation tools if hidden (use the navigation arrows to click between the three pages & zoom in/out)

1. Browse through the central columns to view what is available for you to take away today.
2. If you are interested in any varieties and wish to place an enquiry, Click the "Save As" tab in the top navigation bar to download to your Device
3. Open document in your default PDF Reader
3. Use the grey columns on the right hand side to fill in the size and quantity you require, then click to select a preferred/estimate delivery date.
4. Fill in your contact details and add any other notes using the space provide on page 3
5. Click "Save" to save a copy for your records
6. Finally click "Send" and we will get back in touch within a few days, or print and post to the address at the bottom

PLEASE NOTE: This is only a product enquiry form, not an order confirmation form

(Chrome/Explorer do not allow the interactive buttons to work; if the form is not displaying well please download before filling in and returning)
